You're invited to join the Biblical Champions in an experience of praising God by studying His Word. God's Word is then instilled in the hearts of all participants; Kindergarten through Twelfth grade students. Gold, silver, or bronze medals are awarded to "***all***" participants, based upon their achievements for displaying their knowledge of God's Word. Participants register and receive study material before the Biblical Champions event. And, may log on to weekly zoom lessons by emailing biblicalchampions@gmail.com for zoom link. On the day of the event, knowledge learned from the study material is displayed by participation in events, i.e., Service, Memorization and Bible Quiz.
