Christian Home School Description

The Biblical Champions Christian Home School program teaches basic Bible principles to children in grades Kindergarten through Twelve. They learn the following information to fulfill the bible component of the curriculum for the Christian Home School in which they are enrolled. The basic principles taught are:

1. Beatitudes and Ten Commandments.
Memorize the Beatitudes and Ten Commandments and learn the meaning of each.
2. Books of the Bible/How to use the Bible.
Memorize the list of the books of the Bible as they learn the tools to find scriptures and verses.
3. Scriptures.
Memorize scriptures (selected annually) that are introduced to support a concept. For example, to demonstrate how God gives us power children are given scriptures to memorize that express how God gives us power, etc. Rather than just tell them, they are shown the scripture in the bible and a discussion is held to make memorization easier.
4. Service/Random Acts of Kindness.
Children are motivated to do Random Acts of Kindness when we study 2 Corinthians 9:12. This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God. Children are encouraged to do four random acts of kindness (with parent permission) per year by lending a helping hand to someone.
5. Bible Quiz.

A Bible quiz is given based on the annual scriptures for comprehension.

The date to enroll children into the Biblical Champions Christian Home School program will be announced on the Biblical Champions website biblicalchampions.com. For more information email biblicalchampions@gmail.com.
