You're invited to join the Biblical Champions in an experience of praising God by studying His Word. Seeds of God's Word are instilled in the hearts of all participants to empower them. (Participants are Kindergarten through Twelfth grade students.) Gold, silver, or bronze medals are awarded to "***all***" participants based on their achievements for displaying their knowledge of God's Word. Medals are awarded to all participants rather than top three because God offers salvation to everyone. Participants register and download the age-appropriate, (K-2, 3-6, K-12), study guide before the Biblical Champions event. They may also study this material with everyone each Tuesday 6:30-7:30 pm by emailing biblicalchampions@gmail.com to request zoom link. On the day of the climax event, participants display knowledge learned from the study guide in a fun interactive way and receive points. Participants earn one point for every correct answer given for their age group.

Biblical Champions Savings Seed is the financial incentive challenge. This component is to encourage financial literacy and motivate children to build savings for higher education and learning opportunities. Gold medalists are eligible for this challenge. The top achiever in each of the three age groups, K-2nd, 3rd-6th and 7th-12th will receive an award for writing the best essay and giving the best speech on the annual Savings Seed topic. (The annual topic will be announced in late Spring 2023.) The three awards are given to recipients two weeks after the event to allow for review of essays and speeches. The awards are one \$500 deposit into a High Yielding CD Savings Account in the child's name.
