You're invited to join the Biblical Champions in an experience of praising God by studying His Word. God's Word is then instilled in the hearts of all participants; Kindergarten through Twelfth grade students and an audience of the children's families, friends, and communities. On the celebration day, children display their knowledge learned throughout the year from the study guide by their participation in challenges, i.e., Service, Memorization and a Bible Quiz. Children earn one point for every correct answer. Gold, silver, or bronze medals are awarded to "**all**" children, based upon their individual achievements. (Not just the top 3, because God gives salvation to everyone.) Children register and receive study material at the start of the Biblical Champions year. Classes are held on Zoom on Tuesday evenings from 6:30 p.m. Pacific Time and at church on 5th Sundays. For Tuesday Zoom link email biblebasics@biblicalchampions.com.
